

ADMINISTRATION AND MANAGEMENT OF TRAINING

"Wonderful line-up of instructors. Each instructor provided valuable information to take back to our perspective agencies. All instructors were approachable and knowledgeable. Great personalities! Awesome facility, too! It was great to receive training in such a beautiful facility with such kind and accommodating staff."

"I am very proud to have attended ILEA in the past and the feeling continues to grow as I watch the professionalism in the law enforcement community benefit from the great work you do."

Course Overview: Significant and ongoing change in society and the workplace dictate the need for special talents and abilities on the part of those administering training at every level of law enforcement. Recent events and litigation have demonstrated, once again, that training responsibility reaches well beyond the walls of the classroom or academy. This intensive, four and one-half day program will identify and enhance the skills necessary to succeed in this rapidly changing and challenging environment.

Topics:

- Training Impact of "Workforce 2020"
- Developing an Educational Climate
- Instructor and Program Evaluation
- Training Vision and Mission
- Ethics in (and for) Training
- Technology and Training
- Future Trends in Training
- Legal Issues in Training

Who Should Attend? This course is designed for those charged with oversight of the training function in law enforcement organizations.
