

# POLICE AND FAMILY CONFERENCE

## Backing Up a Cop: Building Better Law Enforcement Relationships

Course Overview: With the goal of strengthening all personal relationships in the law enforcement community, this gathering promises one and one-half days of enlightenment, education, and the opportunity for personal and professional growth.

This conference is not intended to turn bad relationships into good ones. Instead, it is designed to provide insights, experiences and strategies that will assist law enforcement practitioners and their significant others - whether dating, married or partnered - in making good relationships even stronger.

Added Benefit: During this event, legal assistance will be available - at no cost - to help Texas residents in attendance in completing a Durable Power of Attorney for Health Care, a Durable Power of Attorney for Financial Matters, and a Directive to Physicians (Living Will).

Topics:

- Purposeful Communication in Intimate Relationships
- Stress Management Through Humor
- Living Happily Together
- Teambuilding Through R.O.P.E.(s)
