The Future of Investment Arbitration

Catherine A. Rogers and Roger P. Alford

Investment arbitration is at the cutting edge of international law and dispute resolution, and is predicted to be a major factor in the development of the global economic system in years to come.

The Future of Investment Arbitration contains contributions from leading experts on a wide range of topics of both theoretical importance and practical implication that will affect the future of investment arbitration. The highly innovative chapters combine to form a constructive and valuable discussion for all in the arbitration field. The contributors, chosen to represent the full spectrum of perspectives, are leading arbitration experts from all over the world, including ICSID insiders, US government officials, UNCTAD research personnel, seasoned investment arbitrators and counsel, and renowned legal scholars.
